***How to Do Space Age Work***  
***with a Stone Age Brain™***

“If you, your team or your company is not organized and fully functioning...you are wasting valuable time and money. *How to Do Space Age Work with a Stone Age Brain™* should be required reading for every executive and their employees.”

**Jim Horan, CEO and best-selling author “The One Page Business Plan”®**

“Uncommon-sense advice on how to cut through the clutter and regain your life. After reading Eve’s book, I totally transformed my office. And best of all, I have room to think again!”

**Jill Konrath, President, Konrath, Ltd.**

“The most amazing thing about Eve's book is that I can open it up to any page and find absolutely invaluable tips for my daily activities. I recommend this book for all busy professionals who are overwhelmed with the information avalanche and need new ways to improve their effectiveness. Satisfaction guaranteed!”

**Boris Letuchy, Facility Manager, Providian**

“It’s a great gift! Not only have I found this book practical and useful, but I have given it to several colleagues, clients and friends. All have put the Eve’s tips and ideas to work right away. My office is much easier to use. It is convenient and a pleasure to be this organized!”

**Rogene Baxter, President, The Bridgewater Group**

“This book is for any professional who wants to get more out of their day and have some fun doing it. As a sales expert, I'm already well organized, so the benefits of investing time to make time is just the way I work. I was so impressed with Eve's new paper and computer tips that I bought my assistant her own copy. She's using it as a desk reference in her Action Zone.”

**Michael Cannon, CEO, Silver Bullet Group**

“Whether you're a CEO, consultant, academic or professional, the brain information and exercises in Eve's book are for anyone wanting to leverage more of ‘themselves’ for improved effectiveness at work. Eve’s Subject-Only E-mails tip saves me time every day! I give *How to Do Space Age Work with a Stone Age Brain™* a “High 5” for everyone who wants to get out of the overwhelm of working in the Space Age.”
