

BUILDING BRAIN BRIDGES ACROSS GENERATIONS AT WORK™

How Can Four Different Generations Work Well Together?

Eve Abbott shares new discoveries about the human brain so multi-generational teams get better results, with less stress. Ms. Abbott's interactive program is loaded with proven communication tips so all four generations are even more successful with e-mails, phone calls and project work.

Join Us for a Cross Generational Performance Tune Up:

- Discover how to use your personal best brain-style (Visual, Auditory & Kinetic) to boost your performance while reducing misunderstandings.
- Master cross-generational e-mail and phone systems so you can invest more time in keeping your customers (and boss!) satisfied.
- Gain a real business edge by using successful communications with every generation: Traditionalists, Boomers and Generations X and Y.

Ms. Abbott's clients range from S. C. Johnson & Son, Inc. to Hewlett Packard including Nixon Peabody, LLP and Bank of America.

Contact Ms. Abbott when you are ready for each team member to save 20 hours a month - time they put back into their jobs. You don't spend more on technology and they don't work longer days!

About Eve Abbott and A Brain New Way to Work

Since 1988, Eve Abbott has pioneered brain-based productivity systems for executives and entrepreneurs. Teams learn how to work together at least 25% more productively through her lively programs and hands-on consultations.

Ms. Abbott is the author of, *How to Do Space Age Work with a Stone Age Brain™*. Says Jeffrey Fox, the bestselling "Rainmaker" author, "If Time is Money, then Eve's books and trainings will make you a lot of money."
